## *Given with Joy! Roof Fund*

We have hit a major milestone in our roof fund. That is, we have reached the one-third mark, passing the \$33,000 amount. You have done an excellent job through the summer months in continuing to give and keeping us on track to reach our goal by the end of the year long campaign. One thing we have not had to worry about has been rain - for good or bad, but very soon we will have a new roof and that will not be a concern at all. Thank you for your faithfulness! It is a joy to give to the kingdom's work.

Together in Him,

# Given with Joy

Join us for a special series by Dr. Charles Stanley and David Barton on the responsibilities of every American to know and protect the liberties we enjoy as citizens of the United States. The liberty we are given in this country is a wonderful gift from God. It is not to be taken for granted, nor is it to be given away. How do we act as responsible citizens under God's leadership? Join us for these two evenings of inspiration and instruction.
